Clothes

If you have any unwanted 3-4 year old clothes such as trousers, socks. we would be very grateful.

Summer Trip

We will be looking at another day trip out in the summer, information will follow during May.

Honeybuns now has a facebook page! Parents are welcome to visit our 'Honeybuns Nurseries' page and share it with their facebook friends. We will update the page with information of up and coming events along with relevant information. Honeybuns is also on Twitter, follow us @HoneybunsDN.

Foxes and Hedgehogs News

Please can we remind you that we have a parent activity rota along with a meal rota in both these rooms, please put your name down to come and join your child in a play and stay for ½ hour in the morning and afternoons, also to enjoy a meal with your child at nursery

Children's self registration

Please can we ask that when dropping your child of in Squirrels, Foxes you help your child do self-registration.

The children have a photo of themselves, to attach to their keyworker.

Hand Foot and Mouth + Chickenpox

It's that time of year again where the weather is changing and all the bugs are increasing. please can you be aware if your child show symptoms of blisters, please can they get them checked out at their GP before coming to nursery, this will help it be passed on to other children
Thank you for your help

Toothbrushes

Can we ask that all parents provide their child with a toothbrush and case (no plastic bags thank you)

Slippers

Could you provide your child with labeled slippers to wear indoors, we are constantly cleaning the carpets and would to keep the floor healthy and clean for your child to play on.

Butterflies + Squirrels

we are asking parents to please remove their shoes or wear foot covers provided at nursery before entering, the children are crawling around the floor and we would like to keep it as clean as possible. we do clean the carpets weekly
thank you

Children's bags

We are finding that more and more parents are leaving antibiotics, calpol etc in their children's bags. can we please ask that if your child needs medication at nursery you speak to the staff directly and fill out a medication form. please can you also only provide what the child may need that day in their bags and nothing else.

Events

Baby & Toddler Sessions

Please come and join us at Asda Living every Thursday 10.00-11.30am in the Café for a baby and toddler morning. we have so much fun and there is something different each week.

Notices

Outside each of your child's rooms there will be various signs, telling you what's happening that week or dates for your diary of events they are doing. Please can you make sure you read them in case they have any information you need to know.

Save our signs

We would like to thank everyone who signed our petition for save our signs. We are currently in the process of negotiating with the council that we can keep the signs on the garden area but we remove the large sign at the side of the building .
Once again thank you for your continuing support

Reminders

- **Once again car parking is an issue, can we remind everyone to park correctly.**
- If your child brings nappies in per day please can we ask that you put enough in to cover them for their session. Also the staff are experiencing lots of parents not bringing in nappies/ wipes or cream when been asked by a staff member. please can we stress to you we are only asking because your child has none left.
- Can we still remind you that breakfast finishes at 8.30 we are experiencing a lot of people coming in requesting their child to have breakfast after 8.30.
- Nursery closes at 6pm, we are experiencing more and more parents arriving late on regular occasions. the late collection charge is now £10.00 per ½ hour.
- Please can we ask that if your child has any marks, bruises, cut, grazes etc before they come to nursery, please can you inform the staff on arrival so the staff can fill out an existing injury form, this will save you getting a phone call at work. This is really important.
- Please can children not bring in toys from home.
- Security – for your child and staff security can you please ensure you do not let anyone in that may be standing behind you. Everyone must come into nursery on their own password, even if you are dropping a pushchair of you must ring the door bell and do not enter behind anyone else.
- **can we ask that you do not use or bring your mobile phones into nursery, this is a safeguarding nursery policy to protect the children and staff**
- Please ensure your contact details are up to date, especially changes to any mobile numbers. Please inform the office
- **if your child is not in nursery for any reason please can you inform nursery by 9am.**
- Squirrels parents- when dropping of your child and collecting at lunchtime, please can we ask that you ring the doorbell and not the buzzer, this will help the children who are sleeping to get their full rest and not be interrupted.
